# Community Votes

## Announces New Partnership

This election season, Community Votes and the [Literacy Assistance Center](#) are running a train-the-trainer initiative with 13 organizations. The goal is to get people connected to adult literacy education programs out to vote for the upcoming mid-term elections.

- Academy of Medical & Public Health Services
- Arab-American Family Support Center
- Bronx Works
- Catholic Charities Neighborhood Services
- Catholic Charities Community Services
- Center for Family Life in Sunset Park
- CUNY Adult Literacy Program
- Lehman College Adult Learning Center
- Make the Road New York
- Queens Public Library
- Queensborough Community College-CLIP
- St. Nicks Alliance
- Sunset Park Health Council

These organizations are using materials from the [2022 Voter Engagement Toolkit](#) to talk about voting during staff meetings, in ESL, GED and ESOL classes and at community events.

## TOOL PREVIEW

[Community Votes](#), [Nonprofit New York](#) and [Nonprofit VOTE](#) created the [2022 Voter Engagement Toolkit](#) to ensure New York nonprofits have the resources they need to help people vote.

Nonprofits can use social media to inform their networks and clients of important voting information. The toolkit's [sharable graphics](#) are designed so people can check their registration status, register to vote, request to vote by mail and find their polling site.
